

**'TEACHER RESOURCES' LESSON PLAN NO 20**

# FAIRY FINGER PUPPET

**SUITABLE FOR:**

3 to 5yrs

**RATING:**

Easy Moderate Hard

**LEARNING OUTCOMES:**

Design, Sculpt, Play

**TIME:**

2 sessions

**WHAT YOU WILL NEED:**

EC Mix-it

EC Paints

EC PVA

EC Funstix (as modelling tools)

Fabric scraps

Feathers

**METHOD:**

Mix up the Mix-it and roll into a small ball, stick over your finger. Smooth the Mix-it by rubbing gently. Allow to dry (a few days) or can be oven dried. (*refer to packet*)

When the head is dry, glue on strips of sheer fabric for the fairy's dress and glue on two feathers at the back for her wings.

Paint and decorate with EC paints.

Now you have a cute finger puppet that was easily made using Mix-It.
