

## 'TEACHER RESOURCES' LESSON PLAN NO. 1

# FANTASY MASK

### SUITABLE FOR:

5 to 7yrs

### RATING:

Easy Moderate Hard

### VALUE:

This craft lesson is excellent for fine motor skills and can lead to talks about the theatre and drama.

You can hold a lesson in self-expression, just ask the children to wear their masks and mime something.

To mimic gestures and actions without words educates the children on ways to express themselves.

### WHAT YOU WILL NEED:

*EC Glitter Fantasia*

*EC PVA*

*EC shredded silver foil*

*EC plastic masks*

*Hat elastic*

### METHOD:

Paint the mask with PVA to provide a sticky coating, then select from EC's 12 glitter colours and paint on different areas of the mask.

Use the shredded silver foil to add hair to the mask and secure in place with PVA.

Make holes in the side of the mask when dry and thread the hat elastic through.

### TIPS:

*Educational Colours produce a Monster Collage Treasure Box which has a wonderful collection of different materials including feathers, sequins, pom poms and coloured paper etc that can be used to make a very special mask.*
