

'TEACHER RESOURCES' LESSON PLAN NO 13

BEADED NECKLACE

SUITABLE FOR:

5 to 7yrs

RATING:

Easy **Moderate** Hard

LEARNING OUTCOMES:

Sculpture, Design.

TIME:

2 sessions

WHAT YOU WILL NEED:

EC Mix-it Instant Papier Maché

EC Paints, Pearl, Metallic and Glitter

Thick wire or similar (for forming beads onto)

String or thick thread

Sculpting tools

Large needle (for threading the beads)

METHOD:

Sculpt beads and shapes from the Mix-It Instant Papier Maché.

Build the beads over a thick, straight piece of wire or something similar.

Allow to dry for a few days.

When completely dry, twist the beads off the wire.

Paint and decorate.

When dry thread onto string.

TIPS:

Use a plastic tray or a piece of cardboard covered in plastic to build the beads on.

Then you can move them around without damaging them while they are wet and they won't stick to the plastic.
