Work on the piece of cardboard. Build an image of yourself from the Sculpt-it, using the Funstix as modeling tools. What shape is your body making? Is it bendy, straight, round? Are you jumping, dancing, sitting?

Allow the Sculpt-it to dry for a few days. As it dries it will stick to the cardboard.

Punch holes in the cardboard with a hole punch and tie some string or ribbon to hang your picture.

Paint and decorate with EC paints.

When dry you can hang this on your door.
