

'TEACHER RESOURCES' LESSON PLAN NO. 3

JEWELLERY BOX

SUITABLE FOR:

5 to 7yrs

RATING:

Easy **Moderate** Hard

VALUE:

This craft activity is excellent for fine motor skills, it also allows the children to work with different craft objects that require more skills.

WHAT YOU WILL NEED:

Recycled margarine container

EC glitter pom poms

EC Pearl paint - violet

EC purple honeycomb mesh

EC PVA

Sticky tape

METHOD:

Paint the margarine container with violet Pearl paint and allow it to dry.

Cut the EC honeycomb mesh to fit around the margarine container then glue it on with PVA. Use the sticky tape to hold the honeycomb mesh around the container until it dries.

Paint the top of margarine container with PVA and position glitter pom poms on it, placing a weight on them to hold them down, until the glue dries.

TIPS:

You can also line the inside of the jewellery box with scraps of material which can be glued in place with PVA.
