

## 'TEACHER RESOURCES' LESSON PLAN

# DRAGONFLY PUPPET

### SUITABLE FOR:

7 to 12yrs

### RATING:

Easy Moderate Hard

### LEARNING OUTCOMES:

Design, Decorate, Play.

### TIME:

1-2 sessions

### WHAT YOU WILL NEED:

Recycled PET bottles (2)  
EC Hygenic Craft Rolls (cardboard tube)  
EC Chenille Stems  
EC Sticky Paint  
EC Pom Poms  
EC Goggle Eyes  
EC Glue Dots  
EC Clear Gum  
Paper pins  
Masking tape  
Scissors

### METHOD:

Cut a shape from one side of the bottle that you will be able to fit your hand in. (See *picture at right*).

Attach cardboard tube to the mouth of the bottle using EC Clear Gum and masking tape. (See *picture at right*).

Cut wing shapes from another bottle and glue on using EC Clear Gum. Hold in place with paper pins pushed through the wings.

Attach goggle eyes to EC Pom Poms using EC Glue Dots. Use Glue Dots to attach Pom Poms to bottle.

Wind two Chenille Stems around a pencil to create antennae.

Push Chenille Stems into Pom Poms for antennae and then attach with EC Clear Gum.

Paint and decorate using EC Sticky Paint.

To operate the puppet, place your hand inside the bottle and take it for a fly!
