

**'TEACHER RESOURCES' LESSON PLAN NO 32**

# CARVED SUN

**SUITABLE FOR:**

7 to 12yrs

**RATING:**

Easy **Moderate** Hard

**LEARNING OUTCOMES:**

Design, Sculpt

**TIME:**

2 sessions

**WHAT YOU WILL NEED:**

EC Artistone

Paper plate

Paper clip

Carving tools - small chisels, files

**METHOD:**

Mix the Artistone and pour onto a paper plate. Press a large paper clip into one end so you have a hook to hang the plate from.

Allow to harden overnight.

Peel away the plate.

Draw the shape and features on the surface in pencil as a guide to where to chisel.

Carve around the features and smooth with a file.

Now you have a carved sun to hang in the garden.

**TIPS:**

*Always carve away from your hands.*

*You can place the work in a shallow box or container to contain the dust and stone shavings while you work.*
