

'TEACHER RESOURCES' LESSON PLAN NO 33

EASTER ISLAND STONE CARVING

SUITABLE FOR:

7 to 12yrs

RATING:

Easy **Moderate** Hard

LEARNING OUTCOMES:

Design, Sculpt

TIME:

2 sessions

WHAT YOU WILL NEED:

EC Artistone

Plastic bottle

Carving tools - small chisels, files

METHOD:

Mix the Artistone and pour into plastic bottle.

Allow to harden overnight

Cut down bottle to release Artistone.

Draw features on the surface with pencil to guide you in where to chisel.

Carve around the features and smooth with a file.

NOTE:

This carving is inspired by carvings found on Easter Island and around Oceania.
