

'TEACHER RESOURCES' LESSON PLAN NO 4

EGG CUP LEGS

SUITABLE FOR:

7 to 12yrs

RATING:

Easy **Moderate** Hard

LEARNING OUTCOMES:

Sculpture, Decorate.

TIME:

2 sessions - drying time in between

WHAT YOU WILL NEED:

EC Mix-it Instant Papier Maché

EC Paints

EC Clay tools or EC Funstix

Egg carton

Scrap cardboard

Masking tape

Scissors

Stapler

METHOD:

Mix the Mix-It Instant Papier Maché.

Cut a cup from the egg carton.

Make some tubes from the cardboard for the legs and attach to the egg cup with masking tape.

You may need to cut the legs on a slight angle so they will stand up.

Cover the cardboard base with the Mix-it, use clay tools or Funstix to help you model. Sculpt feet, toes etc.

Cover the outside of the egg cup but not the inside, so your egg will fit in the cup.

Allow a few days to dry completely.

Paint with EC paints.

Now you have a fun egg cup to hold your Easter egg.
